Phoenix OSU Alumni

On behalf of the Soldiers here in Alpha Company, 210 BSB, I would like to send out a most sincere "THANK YOU" for your generosity. The boxes of goodies that you sent to us were very much appreciated. They brought smiles to a lot of Soldiers faces, which is something that is needed during this time of year. A little taste of home is always great!

A little bit of our unit and what we are doing now: we are currently helping set up the elections here in Iraq and together with the Iraqi Army, are currently ensuring that the polling sites are secured. We have a lot of Soldiers that are out working on small camps and they have very little contact with their family back home. I sent boxes out to them to help brighten their Holidays. I have yet to get any feedback from them because I just sent them out yesterday. I am 100% sure that they will appreciate all of the items. Again, thank you all for your support and I hope that everyone back home has a Happy Holiday.

Sincerely,

SFC Robert Snell
